youth bikes

Wahoo 24

The Wahoo 24 Path is a lightweight kids' bike ready to roll from city park to greenways and beyond. Featuring a lightweight and durable aluminum frame, kid friendly 1x8 drivetrain with wide gear range, and mechanical v-brakes, the Wahoo 24 path is a great in-between model for youth that includes many features also found in the Marlin line. Total weight 21.6lbs.

1-4 bikes (\$570+tax) 5+ (\$489+tax) retail \$599.99

sawmill service

Since 2008 Sawmill Cycles has been providing professional bicycle, camping, and watersport sales and service in the Pocono Mountains. Our service department is well versed in the needs of camps. We are experienced in providing thorough repairs that meet your budget and help address liability concerns. We offer staff training clinics just before the camp season starts to set up your team for success. We professionally assemble all new bicycles purchased through us, and deliver fleet purchases at no cost. No more worrying about proper assembly or trash and recycling disposal. We pickup and deliver for fleet repairs as well as seasonal camp purchases.

Find out why dozens of camps and resorts choose Sawmill Cycles year after year!
