Breeze 1 ●●●●●

The Breeze 1 is Velotric's stripped down and simple cruiser, boasting the same standard features and drivetrain/motor as other Velotrics but with weight saving choices that make this bike more maneuverable for transit and storage. Stock tires are 27.5x2.2 with a hybrid tread and are easily swapped for knobby mountain tires. Frame sizes accommodate riders 4'11" to 6'4". Average total bike weight roughly 44lbs.
Sale Price \$1,600+tax
retail \$1899

●●● **Nomad 2**

The Nomad 2 is the fat tire e-bike made to go anywhere and have fun doing it. Featuring many of the standard features of other Velotrics that make them a durable and safe choice for camps, the Nomad 2 also sports large wheels with fat 4" tires that can handle any terrain, along with stock fenders and rear rack. The frames come in high and low step options and two sizes accommodate riders 5'2" to 6'5". Average total bike weight roughly 75lbs. UL 2849 and ISO 4210 certified.
Sale Price \$1,799+tax
retail \$2099

Why choose Velotric for a camp fleet?

- Built by professional mechanics
- E-bikes delivered to camp
- In season staff clinic with fleet
- Trackable via Apple Find My
- Control the max speed in app
- UL & Ipx7 rated battery lasts all day

E-bike vs golf cart usage

Small storage space

Eco-friendly

Easy to charge

Battery lasts all day

Low long term costs

E-Bike ownership

Initial purchase starting @ \$1,499

Yearly maintenance avg of \$150

5 year cost to own \$2,249

VS

Golf cart rental

Average of \$1,350/ season

5 year cost to use \$6,750

Sawmill Service

Since 2008 Sawmill Cycles has been providing professional bicycle, camping, and watersport sales and service in the Pocono Mountains. Our service department is well versed in the needs of camps. We are experienced in providing thorough repairs that meet your budget and help address liability concerns. We offer staff training clinics just before the camp season starts to set up your team for success. We professionally assemble all new bicycles purchased through us, and deliver fleet purchases at no cost. No more worrying about proper assembly or trash and recycling disposal. We pickup and deliver for fleet repairs as well as seasonal camp purchases.

Find out why dozens of camps and resorts choose Sawmill Cycles year after year!
